Summary and Purpose:

Watch video how well did you cover the areas of work/skills. See how it compares to the feedback given by deaf participant. Consider if the questions could have been signed in a different/more effective way.

Duration:

30 - 60 minutes

Resources Required (if any):

Trivial Pursuit game. Two or more people one at least should be deaf. Video recorder. If possible get brief verbal/written feedback from deaf participants

The task:

Number the categories in the game 1 - 6 to correspond with whatever number is thrown on the die.

Take it in turns to throw the die

Translate the written English question into sign language

If anyone gets the right answer to your question, then you (not them) have another go.

As an advance on this exercise Individuals could take it in turns to sign all the categories.

Same as above but without the use of a die

Immediate feedback can be asked of the deaf participant(s)
